

CENTER OF EXCELLENCE: Missouri is a global leader in the aerospace and defense industry, and could be the best place for your next company expansion.

HIGHLY SKILLED: Missouri is home to highly skilled talent that delivers significant production for Boeing and other aerospace and defense industry leaders across the state.

STRATEGICALLY LOCATED: Missouri is located in the center of North America, with access to raw materials, available talent, and a globally connected infrastructure, making us the strategic location choice for companies.

CONNECTED TO EVERYWHERE: Missouri exports more than \$7.2 billion in advanced manufacturing products annually to more than 190 countries around the globe.

MAKING THE FUTURE: Missouri has a rich history in aerospace, from Charles Lindbergh, to the Mercury space program, to the latest in aerospace innovation. Today, Missouri leads the way in every aspect of military aviation and equipment.
