

**GLOBAL LEADER:** Missouri is a leader in banking, investment and financial services, and is the only state to house two Federal Reserve Banks.

**HIGHLY SKILLED:** More than 169,000 people, or 6% of the workforce, are employed in core occupations related to financial services in Missouri.

**AAA RATED:** Missouri's 50+ years of AAA bond ratings is representative of our solid financial acumen, stable financial foundations and fiscal responsibility.

**VIRTUALLY CONNECTED:** Kansas City was chosen by Google Fiber as its first location, and gigabit service is available across the state due to our extensive fiber networks.

**NONSTOP:** From airports across Missouri, you can fly nonstop to more than 70 destinations across North America.
