

**GLOBAL LEADER:** Missouri is a leader in banking, investment and financial services, and is the only state to house two Federal Reserve Banks.

**HIGHLY SKILLED:** More than 125,000 people, or nearly 5% of the workforce, are employed in core occupations related to financial services in Missouri. Missouri is also home to 9% of the U.S. reinsurance industry employees.

**AAA RATED:** Missouri's 50+ years of AAA bond ratings is representative of our solid financial acumen, stable financial foundations and fiscal responsibility.

**VIRTUALLY CONNECTED:** Kansas City was chosen by Google Fiber as its first location, and gigabit service is available across the state due to our extensive fiber networks.

**NONSTOP:** From airports across Missouri, you can fly nonstop to more than 70 destinations across North America.

**50+ years**  
of AAA Bond rating

**125,000**  
employed in  
financial service

**MISSOURI**  
It All Adds Up

**INNOVATION AND EXPERIENCE:** Missouri is the perfect combination of innovation and stability. From FinTech accelerators and the innovation behind Square to the metro with the second largest concentration of concentration of financial securities brokerage firms among major U.S. metros and a global leader in the reinsurance industry. Missouri is a proven leader in the financial services sector.

**THRIVING INDUSTRY:** Missouri is the headquarters of global and national financial services companies, including:

Missouri Partnership is a public-private economic development organization focused on attracting new jobs and investment to the state and promoting Missouri's business strengths. We work in partnership with the Hawthorn Foundation, the Missouri Department of Economic Development, the State of Missouri, and economic development agencies across the state.
