

MISSOURI'S FOOD & BEVERAGE INDUSTRY

ROBUST INDUSTRY: Missouri's robust food production sector includes over 400 companies with the capacity for many more.

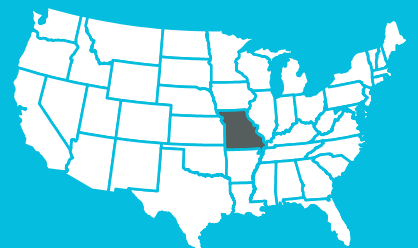

ACCESS TO INGREDIENTS: Missouri's leading role in agricultural products including rice, soybeans, corn, sorghum, cattle, turkeys and hogs is key to food solutions success in Missouri.

RAISE A GLASS: Missouri is home to more than 130 wineries, 110 craft breweries, more than 50 distilleries, and the world-famous Budweiser family of beers.

CONNECTED: Missouri gives food producers rapid access to global markets, extensive distribution options, a friendly regulatory environment and a diverse customer base.

IT'S NOT JUST PEOPLE: Pet food companies with their North American headquarters in Missouri generate over \$35 billion in revenue each year.

AVAILABLE TALENT: Missouri employees are hard working and conscientious, and Missouri's competitive cost of living and vibrant culture enables employers to provide employees with a high quality of life at a lower cost.

MISSOURI
PARTNERSHIP

THRIVING INDUSTRY: Missouri's food solutions industry employs more than 18 percent of our manufacturing employees, and we are home to companies like:

Missouri Partnership is a public-private economic development organization focused on attracting new jobs and investment to the state and promoting Missouri's business strengths. We work in partnership with Hawthorn Foundation, the Missouri Department of Economic Development, the State of Missouri, Missouri Farmers Care, and economic development agencies across the state.
