What Can We Make For You? [®]

CENTER FOR EXCELLENCE: Missouri produced more than 776,000 vehicles from Ford and GM in 2018, and today more than 14,000 of Missouri's highly-trained workforce builds the F/A-18, EA-19, F-15, MQ-25 and T-X fighter jets at Boeing's Defense, Space and Security facilities.

THRIVING INDUSTRY: Missouri's manufacturing expertise touches numerous industries—from agriculture products to heavy-duty trucks—and we are home to companies like:

Missouri Partnership is a public-private economic development organization focused on attracting new jobs and investment to the state and promoting Missouri's business strengths. We work in partnership with the Hawthorn Foundation, the Missouri Department of Economic Development, the State of Missouri, and economic development agencies across the state.
