Missouri/Israel Partnerships

Boeing (*St. Louis*): The relationship between Boeing and Israel goes back 60 years—to the founding of the state of Israel. During that time, Boeing has worked closely with Israeli commercial and military customers and suppliers and has developed many lasting partnerships. Boeing Israel office was inaugurated in 1969. Today, it has an office in Tel Aviv and personnel working at customer and supplier sites.

Monsanto (*HQ St. Louis*): Evogene Ltd. and Monsanto Company have partnered for nearly a decade on crop research to identify key plant genes related to yield, environmental stress and fertilizer utilization in corn, soybean, cotton and canola.
